

# COMING SOON

## Welcome to Marathon Health

Marathon Health is partnering with Quality Pork Processors to provide you with high-quality care that is no cost, convenient and confidential. You will have access to the onsite health center, Quality Health and Wellness Clinic.

### Services Available:

- Preventive Care
- Acute (Sick) Care
- Chronic Condition Management
- Health Coaching
- Medications
- Lab Services

### Convenient Care:

- In-person, phone and virtual appointments
- Same or next-day appointments

### For more information, go to:

**Marathon-health.com** and click on “Members.” This section of the website has information about services, locations and video success stories from people who use Marathon Health.

### Eligibility and Cost:

All employees, spouses and dependents (ages 2+) on the company health plan are eligible. Services available at the health center are provided to you at no cost.
